Dodington Parish Band

The Band was formed in 1996, the idea being to create a Band for the benefit of the local community. It aimed to enhance and widen the scope of musical opportunities, especially for younger players, within the Parish of Dodington but also throughout the Dodington, Yate & Chipping Sodbury areas.

We have a wide range of ages and musical abilities, including very experienced as well as new and returning players. We find this mix works well and ensures help and encouragement for our younger or less experienced players.

We are always keen to welcome new players to join us, whichever brass instrument they play and whatever their age (our current membership spans 7 decades and consists of around 22 players). Some of our players are learners, some have returned to playing after a break, and some have made the transition to a brass instrument after playing other instruments.
